February 2008 Treasurer's Report

February 2008 saw normal expenses for this time of year. In addition to standard maintenance expenses, we funded annual expenditures that cover us for the entire year – namely our annual insurance premium and the fees for annual government filings. Fiscally, the club is solid for the foreseeable future with membership renewals coming in next month.

General Meeting Minutes

The general meeting was called to order at 10:00am. The minutes from the previous meeting were approved and Alan presented the treasurer's report.

There have been some issues with the website, many which are technical issues with changes that the hosting company has made. This has caused the navigation menus to not appear as they have in the past, but if there are no navigation menu's, please send Rob Bowen an email so that he can correct the issue. The website will be redesigned over the next few months, so rather than trying to fix the smaller issues with the current site, more time will be put into producing a new site which will hopefully be easier to navigate as well.

John (our acting Range Safety officer) announced that guests are welcome to the club. The first time is free, but anytime thereafter, it is five dollars for each guest. The box to put the fee is located in the sign-up shed and has occasionally been found to be open. If you find it open, please tap the top of it to make sure that it locks.

We are still planning on having an archery shoot after the meeting as soon as we have a meeting where the weather is co-operating with us.

POSITION VACANCY NOTICE **Membership Chairman**

To date, we have 36 campers, 33 volunteers and 11 boy scouts signed up for the camp. All of the registration forms are available on the website.

We now have an electric trap machine which was purchased from Mega Sports and we thank them for the great deal that they provided for us. We will

also be purchasing a new manual thrower which will be available for general member use.

We have finally settled the insurance issue and decided to go with a company in Bloomington rather than through the NRA insurance. This was done since the new company is providing us with greater coverage and for a lower cost.

Oak Park will be sponsoring the state IDPA match this year and are looking for volunteers to help setup. They have offered to share the money received with clubs that can provide a significant amount of help. Please contact John Millington for more information.

The worker appreciation dinner is on March 15th. Unfortunately, this had to be cancelled last year since not enough people had signed up. For everyone that met there 16 hours, the dinner is free (which includes an open bar) for themselves and a guest. Anyone else can also attend for \$10 a head.

Some time ago, a child size Bush Hog ATV was donated to club which is worth about \$1700. We have decided to take sealed bids (minimum of \$500). The bids will be time dated to resolve any ties, where the first bid received for the same amount would be the winner. The bids can be sent to David Lombardo and must be received by June 1st by 8:00am. The ATV will be on display at the camp, and the board will open the bids during the board meeting. The winning bid will be announced at the end of camp.

Club renewals are due by midnight March 31st. If you do not renew your membership with the club, you will once again owe full dues including initiation fees, to re-join the club.

Allison will be extending an invitation to Allied Illinois Markswomen (AIM), to participate in one of our events in the future. They are currently looking for a new place to be able to conduct their activities and we would be more than happy to entertain some sort of an agreement with them.

At the end of the meeting, a member donated some air rifles for the youth camp and we also received a new member. The meeting was adjourned at 10:43am.
