December was a rather quiet month financially. With virtually no activity due to weather, we saw barley \$1,000 go through the club's coffers. At this point and barring anything unforeseen, We can expect the club to finish the year in a solid fiscal position.

## General Meeting Minutes

The 2008 schedule is out and will be available on the website once we have control of it again due to some technical issues. If your nra membership or foid has expired within the last year, make sure that you get new copies with your renewals to Allison. Club membership renewals should be sent to Allison directly. The bow competition was cancelled due to the rain, but will be rescheduled for the next meeting. The camper and adult registration forms for the youth camp will be online once we have access back to the site, so until then, contact Bill Lavine for the forms. The roofing that was done last month was blown off of the shed and will need to be redone. We have authorization, in the fact that no one objected the proposal, that as long as we do not change the footprint of the sheds, we can make any necessary repairs or modifications to the sheds. This would make it nice to add storage space to the existing sheds. The skirting on the club house needs to be repaired and the armory needs to be jacked up and re-blocked due to settling. We are still in the process of trying to find the best deal on a trap machine for the club, so if you know anyone who is willing to donate a new single stack trap machine (it's tax deductible) or have any other suggestions, please let us know. We will be providing (provided due to the timely release of this newsletter) an air rifle range at the Chicagoland Outdoor show on January 16-20th. Worker appreciation dinner will be on March 15 United Platville Association (UPA) in Platville. Anyone who has their 16 hour of work for the year may attend with a guest for free. Those that did not meet the 16 hours of work, the cost is \$10 per person. There is an open bar for the duration of the dinner, so please come and join us. Work hours are recorded using the sign in sheet in the shed, so if you have not recorded your hours there then we don't know about them. If the recorded hours do not match what you believe you have worked, please contact David Lombardo to have your hours adjusted. There is an individual that is willing to donate a child size ATV (125cc) to the club, to raffle off. Kerry has volunteered to store the ATV until we either sell or raffle off the ATV.
